

Quiz 1

SDSC 5002

Instruction: You need to submit **one single pdf file**. There are many phone apps that can help you generate pdfs, such as CamScanner and dropbox. It is also OK if you write on a tablet; in that case, you still need to submit a single pdf file.

1. Copy the following sentence in your own **handwriting** and **sign your name and date it**. “My signature indicates that I will exercise complete academic honesty in SDSC 5002. I also acknowledge that any confirmed act of dishonesty will result in formal conduct charges and possible course failure.”

Signature:

2. List the data visualization tools you have experience with and describe your level of proficiency with each.
